WE ♥ PUPPIES
THAT'S WHY WE DON'T SELL THEM!

Many pet stores that do sell puppies are prepping up puppy mills, which churn out huge numbers of dogs under inhumane conditions. Likewise, a consumer who purchases one of those puppies just pumps more money back into the abusive trade.

We have signed The Humane Society of the United States Puppy-Friendly Pet Store pledge. We don't support puppy mills, and we hope you won't either. For information about how to find a dog who doesn't come from one of those cruel factories, visit humanesociety.org/puppy
